

Supervision Intensive Cordium

December 4 - 7, 2020

Practical information

We are doing this Intensive in Cordium, which is beautiful located near the railway station and near the city center. There is also a big garden where we can relax during the break.

The address is: De Ruyterstraat 65, 6512 GB Nijmegen

How to get there from the Railway Station Nijmegen

You walk from the railway station to the right. Follow the red bike lane. (But watch the bikers! So don't walk there but on the pedestrian lane. You will be not the first foreigner that will be hit by a bike.) After a small tunnel underneath a road you go to the left. This is De Ruijterstraat. You will find Cordium 400m further on your right.

If you come in the night before we will help you or put a key for you.
