### How to get there from the Railway Station Nijmegen

You walk from the railway station to the right. Follow the red bike lane. (But watch the bikers! So don't walk there but on the pedestrian lane. You will be not the first foreigner that will be hit by a bike.) After a small tunnel underneath a road you go to the left. This is De Ruijterstraat. You will find Cordium 400m further on your right.

If you come in the night before we will help you or put a key for you.

### Staying overnight

In Cordium there are rooms to stay overnight. These rooms are normally working rooms. In most cases you can have your own room but sometimes it is necessary to share the room with another participant. There are showers as well.

Have a look here <http://www.cordium.nl/ruimteuren/> for pictures of the center.

You can bring your own sleeping bag or hire sheets and towel from us, (costs 15 euro) You pay 10 euro a night. When there are enough people to stay the chef will also provide breakfast for 7,50 euro.
