A Fulfilled Life

TWO DAY WORKSHOP

To live a fulfilling and exciting life we need to be open to change!

What are the steps to make such changes? What do you hide? Do you have a connection to spirit and what does this connection mean to you? What does Love mean to you? This will be an experiential workshop to deal with these questions.

FOR WHOM

The workshop is meant for students and graduates of Core Energetics training programs.

BY WHOM

Lead by Stuart Black and Paula Vargas

Stuart Black and his wife Paula Vargas are teaching in workshops and classes at Core Crisalida, at their center in Akumal, Mexico.

Stuart was the director of Core Energetics Institute in New York for 24 years. He helped found and taught in many trainings all over the world, including the Netherlands. He was a guest teacher to both faculty and students at the Barbara Brennen School of Healing, and was a senior helper of the Pathwork in Phoenicia, NY, and the spiritual leader of the Pathwork studies program. He is one of the few people alive that knew both Eva and John Pierrokos.

Paula is a licensed Educational Psychologist, trained in different modalities like Transpersonal Analysis. During her first years of giving private practice, she focused her work on self-esteem and the work of caring for and preventing child sexual abuse that adult patients reported. She was eager to learn more about emotional processes and took diplomas in Sexuality, Thanatology, Logotherapy, Enneagram, Crisis Intervention, and Holotropic Breathwork. She was part of the first generation of Core Energetics, led to personal work in 2014. Her main medicine and specialty is the creation of rebirth expertise through the ancestral medicine of Temazcal.
